Mr David Clayton  
Hungerford Community Theatre

Dear David

The Mayor, Elizabeth Cardwell, has asked me to write to say thank you for inviting her to the recent production of *The Love Nest*. I went along with her in fact (her husband Stephen was unable to go, which was lucky for me!) and we both found it to be a thoroughly enjoyable evening.

We are truly fortunate in Hungerford to have such a terrific group of players who put on excellent productions.

So, thanks again from both of us.

Kind regards,

Yours sincerely

Jennie Collins  
Clerk
